

VACANCY ANNOUNCEMENT

Job Summary

Position: Field Interviewer (4 posts)
Reports to: Study Coordinator/Clinic Supervisor
Work station: Dar es Salaam
Apply by: February 26, 2021

Institute overview

Ifakara Health Institute (IHI) is a leading research organization in Africa with a strong track record in developing, testing and validating innovations for health. Driven by a core strategic mandate for research, training and services, the Institute's work now spans a wide spectrum, covering biomedical and ecological sciences, intervention studies, health-systems research and policy translation.

Position Summary

IHI is looking for **Field Interviewers** to fill vacant positions in the Calcium project. The Interviewers will work at the study antenatal care clinics and assist the study nurses to collect data on mothers and infants enrolled in the study.

Duties and Responsibilities

- Conduct home visits for participants who miss their scheduled clinic appointments
- Conduct delivery and new born assessment for health facility and home birth as well as conduct verbal autopsies.
- Participate in research related activities at the clinic from recruitment to patient discharge
- Perform any other job-related duties assigned by supervisor/coordinator.

Qualification and Experience

- Certificate of Secondary Education (Form IV/VI).
- Holding a certificate in nursing and experience working on a clinical trial will be an added advantage.

Skills and Competencies

- Ability to use laptop for data collection.
- Outstanding interpersonal, communication and problem-solving skills
- Ability to work under minimum supervision but also within a team;
- Good/Excellent writing and verbal communication skills;
- Excellent attention to details;
- Adhere to IHI core values (Transparency, Accountability, Respect, Integrity and Initiative).

Remuneration

An attractive and competitive remuneration package will be offered to successful candidates as per IHI salary scales
