

VACANCY ANNOUNCEMENT

Job Summary

Position: Fieldworker (2 posts)
Reports To: Project Leader/Supervisor
Work Station: Mtwara
Apply By: May 31st 2021

Institute Overview

Ifakara Health Institute (IHI) is a leading research organization in Africa with a strong track record in developing, testing and validating innovations for health. Driven by a core strategic mandate for research, training and services, the Institute's work now spans a wide spectrum, covering biomedical and ecological sciences, intervention studies, health-systems research and policy translation.

Position Summary

IHI is looking for qualified and experienced individuals to take the position of **Fieldworker**. The Fieldworkers will work closely with volunteers and the community in the local area to set light mosquito traps, data loggers, sorting mosquitoes & houseflies and recording entomological data collected in the Star-Homes Phase II Household Evaluation project.

Duties and Responsibilities

- Ensure all data and samples collected from the experiments are properly recorded and stored.
- Assist volunteers and village leaders working within the project(s).
- Maintain all project(s) equipment in good order and custody.
- Maintain constant liaison with community members in the study area to ensure the smooth running of project(s) activities.
- Implement quality control procedures and ethical guidelines are met in the running of the project(s).
- Conduct any other duties as may be assigned by the project leader.
- Working in rural part of Mtwara with minimal supervision.

Qualification and Experience

- Form 4 graduate with 5 years of working experience.

Skills and Competencies

- Team working skills.
- Self-motivated and highly focused attitude to work.
- Good verbal and oral communication skills in Swahili and local language.
- Physical fitness.
- Ability to ride a motorcycle.
- Adhere to IHI core values (Transparency, Accountability, Respect, Integrity and Initiative).
