

VACANCY ANNOUNCEMENT

Job Summary

Position: Research Officer (1 post)
Reports To: Project Leader
Work Station: Dar es Salaam
Apply By: April 27th 2022

Institute Overview

Ifakara Health Institute (IHI) is a leading research organization in Africa with a strong track record in developing, testing and validating innovations for health. Driven by a core strategic mandate for research, training and services, the Institute's work now spans a wide spectrum, covering biomedical and ecological sciences, intervention studies, health-systems research and policy translation.

Position Summary

Ifakara is looking for a qualified and experienced individual to work as a **Research Officer**. The Research Officer is a medical doctor who will work with the VPM project in the selected health facilities of Dar es Salaam to recruit study participants and to provide medical care to the patients.

Duties and Responsibilities

- Screening of the patients eligible for the study.
- Enrolment of the patients screened for the study.
- Management of the patients.
- Identification and Management of adverse and severe adverse event.
- Follow up of the patients under the study.
- Initial development of SOPs.

Qualification and Experience

- Doctor of medicine (MD)/ Bachelor of medicine.
- Experience in clinical research.

Skills and Competencies

- Patient Management skills.
- Computer skills.
- Good interpersonal and communication skills.
- Adhere to IHI core values (Transparency, Integrity, Respect, Responsibility and Initiative).

Remuneration

An attractive and competitive remuneration package will be offered to successful candidates as per IHI salary scales.

Equal Opportunity

IHI is an equal opportunity employer. We prohibit intentional biases or discrimination and harassment of any kind at the work place and during recruitment. All employment decisions are based solely on job
